PRESS RELEASE

Vossius & Partner receives MIP Award “Germany Patent Prosecution Firm of the Year”

Munich, 8th March 2018 – Vossius & Partner was voted “Germany Patent Prosecution Firm of the Year” by the internationally renowned journal *Managing Intellectual Property (MIP)*. As part of the official award ceremony at *The Savoy Hotel* in London, the partners of the firm Dr. Hans-Rainer Jaenichen, Rainer Viktor and Dr. Natalia Berryman accepted the award on behalf of Vossius & Partner.

“Following Vossius & Partner’s award as *Germany – IP Firm of the Year* by MIP in 2013, we are very proud to be recognized this time for our outstanding work in the field of patent prosecution. This reconfirms our position as one of Europe’s leading IP firms in this field”, says Dr. Hans-Rainer Jaenichen, patent attorney and longtime partner of the firm.

The decision for Vossius & Partner was based on an annual questionnaire concerning work highlights and important clients as well as on the expertise and qualifications of the firm in general. Every year, the monthly and internationally renowned journal *Managing Intellectual Property (MIP)* honors leading law firms in the field of Intellectual Property for their excellent work. This year’s award ceremony for Europe, Middle East and Africa took place for the 14th time.

About Vossius & Partner:

VOSSIUS & PARTNER is a partnership of patent attorneys and attorneys-at-law with offices in Munich, Düsseldorf, Berlin and Basel. Established in Munich in 1961, it is today one of Europe’s leading IP firms with clients from all over the world.

The firm focuses on high-end advice for innovative companies concerning all questions associated with the protection and the enforcement of intellectual property rights. The firm’s areas of expertise comprise all IP fields (patents, trademarks, copyrights, design rights, SPCs etc.), as well as licensing, competition law, pharmaceutical law (e.g., approvals) and media law.

As a full-service intellectual property law firm, VOSSIUS & PARTNER offers their clients the technological and scientific know-how of experienced patent attorneys in combination with the knowledge and competence of highly specialized attorneys-at-law.
