ANNOUNCEMENT

VOSSIUS & PARTNER strengthens trademark and copyright practice in Basel with Swiss advocate

VOSSIUS & PARTNER is pleased to announce that the firm reinforces its team in trademark and copyright law with the arrival of Dr. Brigitte Bieler. Coming from Wenger Plattner, the Swiss advocate joined VOSSIUS & PARTNER per 1 December 2017 and will further expand these practice areas at the patent and law firm's Basel office.

Dr. Brigitte Bieler, 34, specializes in trademark, design and copyright law and advises national and international clients on soft IP issues. She represents clients in the prosecution and defense of their legal claims. Moreover, her focus of work is on drug law and licensing law.

Prior to joining VOSSIUS & PARTNER, Bieler worked as a senior associate at Swiss law firm Wenger Plattner. She started her legal career at the cantonal court Basel-Landschaft. Bieler regularly publishes in her fields of practice.

„To strengthen our advisory practice in the fields of trademark and copyright law at our Swiss office in Basel is strategically important for us and our clients“, says Dr. Mathias Kleespies, partner and head of the trademark, design and competition law department at the firm's main office in Munich. “With Brigitte Bieler we are gaining a highly reputable Swiss colleague whose comprehensive expertise perfectly complements our practice.”

VOSSIUS & PARTNER's trademark, design, competition and copyright law department now comprises five partners and five associates. It grew only recently by the arrival of attorney-at-law Peter Johannes Klein at the firm's Munich office in October 2017.

VOSSIUS & PARTNER is a partnership of patent attorneys and attorneys-at-law with offices in Munich, Düsseldorf, Berlin and Basel. Established in Munich in 1961, it is today one of Europe's leading IP firms with clients from all over the world.

The firm focuses on high-end advice for innovative companies concerning all questions associated with the protection and the enforcement of intellectual property rights. The firm's areas of expertise comprise all IP fields (patents, trademarks, copyrights, design rights, SPCs etc.), as well as licensing, competition law, pharmaceutical law (e.g., approvals), media law and food law.

As a full-service intellectual property law firm, VOSSIUS & PARTNER offers their clients the technological and scientific know-how of experienced patent attorneys in combination with the knowledge and competence of highly specialized attorneys-at-law.
